

Saint John School of Little Canada

January 2018

Please visit our website sjolc.org and like us on Facebook.

Mission Statement: Saint John School provides students with a strong Catholic foundation and an excellent academic program with the support and involvement of the family.

Quiz Bowl

Monday, December 18th, Senora Lovera accompanied four of our eighth graders, Lily G., Jack S., and Evie S., and Molly W. to the University of Saint Thomas for the quiz bowl tournament. They went four rounds and enjoyed the experience very much!

Or shop online at: <http://www.scholastic.com/bf/stjohnschooloflittlcanada>

All for Books/ Catholic schools' service project 2018

As part of our annual Scholastic Book Fair and Catholic Schools' Week we will be collecting money to buy books, which will be donated to the University of Minnesota Masonic Children's Hospital. These books will be donated through the Nicholas P. Koenig H.E.R.O. Foundation. The student council members will be running this service project with the help of Mrs. Leciejewski and Mrs. Truhler. Additional information will be sent out just prior to Catholic Schools' week.

Reminder

If you are going to pick-up your child(ren) early from school, please send them with a note. An email is fine too if it is sent the night before or previous to the start of the school day. Most often teachers do not get a chance to check their emails until after the students have left for the day. If you are sending an email to the teacher, please include the school office in that email.

Middle School students celebrate the spirit of Christmas....

Instead of exchanging gifts with their classmates, the middle school collected money for Christmas gifts for cancer patients on the 7th floor at Children's Hospital in Minneapolis. This is part of a project that was initiated by Dane Ray, a cancer patient and Roseville hockey player.

**Thank you** 6<sup>th</sup> graders for doing a fabulous job of hosting the Annual Christmas Heritage Party. A big thank you also goes out to all the parents & grandparents who attended, brought delicious holiday treats and listened attentively as the students shared their research with them. As always, numerous staff members and faculty helped in big and small ways behind the scenes to make this event happen. Thank you as well--we couldn't do it without you! All in all it was a very merry Christmas Heritage Party! Mrs. Truhler

**Christmas Treats**

Thanks to all the families who brought in Christmas treats for the staff and faculty. We really enjoy, and appreciate your generosity. Christmas blessings to all and Happy New Year.  
**Saint John School Faculty and Staff**

**Dress For The Weather**

As old man winter has made a return, please send boots and snow pants for your child(ren) each day. The children will be going out if the temp and wind chill are above the zero range of either temperature or wind chill. We check the WCCO.com at 11:00am to get the weather reports in order to determine whether the children will go out or not.
