**The Ron Valento family** would like to thank the students and faculty of Saint John School. The students stood on either side of the road waving American flags to honor Office Ron as his funeral procession drove by. **Academic Awards**

Congratulations to all the students who earned awards at the academic honors breakfast for their great achievements in academic excellence, student council, science fair, spelling bee, quiz bowl and geography bee his year. Additionally, 73% of our middle school students received awards for earning the A and/or B honor roll during both the first and second trimesters this year. These achievements clearly demonstrate your hard work and family support.

**Athletic Awards**

It has been another great year for Saint John School athletics. We have been blessed with exceptional volunteer coaches who go above and beyond to coach and teach our student-athletes. Thank you to all of you for driving and adjusting your busy schedules to get your children to and from all of the practices and games throughout this past year. A very special thank you to our Men's Club for all your financial support to make our sports program affordable to all who wish to participate. Great job to all of our student-athletes as well, who work so hard in the classroom and in their activities to compete at a high level in the Catholic Athletic Association. Congratulations to all of our teams and individuals that competed this year.

We don't believe in measuring all of our student-athletes' success in city championships, but the fact that we have had over 24 titles in various sports since 2010 is very impressive! Way to soar EAGLES!
