Lenten/Easter Service Project

Saint John School students will be collecting toothbrushes **and** toothpaste for the children of Guatemala, through a Minnesota based organization called Common Hope. Toothbrushes and toothpaste will be collected each day from March 12 through March 29, 2018.

As part of a long Saint John School of Little Canada tradition, the students will be celebrating the feast of Passover with an all-school **Seder Meal on Holy Thursday, March 29, 2018 at 11:30 a.m. in the school gym**. In our classrooms, we will be discussing this holy Lenten celebration so that this meal can be as meaningful as possible for the students. Lunch will be provided for every student free of charge.

Enrollment Update for 2018- 2019

Thank you to all the families who have completed their enrollment for the 2018-2019 school year. We are looking forward to welcoming you back in the fall. If you have completed enrollment, and you have documents due to us, you can turn them into the office. We would like the most updated information, so if your child will be receiving immunizations this spring or summer, please wait until after the immunizations are administered to turn in your updated immunization form. (Please be assured, your child will be considered enrolled if you have completed your enrollment, even if all documents are not in yet. However, we do request documents turned in before the first day of school.) If you have questions regarding online enrollment, please email Kathy LaCasse at klacasse@sjolc.org.

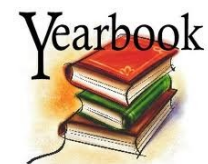

If you have not enrolled your child(ren) yet, please consider enrolling soon! Current students should have received an email with a link to complete your enroll your student for the 2018-2019 school year.

If you have a student new to our school for the 2018-2019 school year, you will need to visit our website at sjolc.org and click on the Prospective Parents tab to find the TADS button. Click on the TADS button which will bring you to the page to begin the application process. After you apply and are accepted you will be sent enrollment information to complete.

We will be sending out information on how to sign up for Summer Eagle Club Child Care as well as School Year Eagle Club Child Care. It is our hope we will have these in place in April but will update you as soon as they are ready.

We are always happy to grow our school! Please share with neighbors, friends and family how our school can help their children soar.

What's Cookin' - Lunchroom News

This has been a year of transition in our school kitchen. Gretchen has worked very hard to create wonderful lunches throughout this year. In addition, I would like to introduce our new kitchen staff. Stephanie Manley is our head cook and Lisa Wheeler is another kitchen staff member who joined us in January. Stephanie shared that she is very excited to join our community. She has worked in the food service industry at St. Thomas University and has come with great ideas to serve tasty, nutritious meals for students, faculty and staff. We will feature new menu items and offer the favorites more often. Lisa has also worked in food service and is support to Stephanie, along with Gretchen. We have a great group of very caring people offering lunches that our children are enjoying. We are asking the children often what they like and what we could do better. Their answers are invaluable to us. ²

2018 LENTEN SERVICE PROJECT

This year we are collecting both toothbrushes **and** toothpaste for children in Guatemala through an organization that is based here in Minnesota called **Common Hope**.

Last year, along with the parish, we donated 3,023 toothbrushes and 2,459 toothpaste containers.

Our goal this year is donating 2,500 of each **or** more. **Let's do it!**

The fifth graders will be collecting toothbrushes each day from Monday, March 12, 2018 through Thursday, March 29, 2018.

You may send **new** toothbrushes to your child's classroom at any time throughout our collection days. It is great to ask your dentists and orthodontists for donations also as they were very generous when we did this project in past years.

Thank you,
Mrs. Pieper
