The Minnesota Nonpublic School Accrediting Association (MNSAA) has accredited Saint John School of Little Canada for the eligibility period of 2017 to 2024. This school has been accredited for over 21 years. Accreditation is a voluntary method of quality assurance with a goal to evaluate, validate, and improve each school's quality.

MNSAA is a federally and state sanctioned non-profit association for accrediting nonpublic schools in the state of Minnesota. The association's mission is to be a catalyst for enhancing the quality of nonpublic education in Minnesota through a comprehensive process of accreditation. Our agency helps schools provide quality nonpublic education for the children of Minnesota for its member schools. MNSAA is governed by a member-elected Board of Directors that bases its accreditation on a school's evaluation through a self-study process.

Schools are accredited based on their compliance with a set of rigorous standards which identify essential personnel, instruction, facility, curriculum, governance, and marketing policies and practices that are considered necessary for an effective school. The accreditation process includes creation of a visionary and focused strategic plan and an on-site visit by a team of educators from member schools. Accreditation with MNSAA relies heavily on how the individual school defines its mission and the way it seeks to accomplish that mission.

MNSAA is pleased to have Saint John School of Little Canada join some of the more than 170 accredited schools that make up the association. MNSAA salutes Saint John School's commitment to providing outstanding education to the children of this community. MNSAA will continue to provide guidance to Saint John School of Little Canada through an annual review of its strategic plan.
