

# BOOK FAIR Luau

It's a Reading Celebration!

Dear Parents and Families:

Reading is the most important skill you can teach a child. Of all the skills children learn, it is the one you can influence the most.

We invite you to visit our Scholastic Book Fair and experience a celebration of reading that provides families the opportunity to get involved in a universal mission: *encouraging kids to read every day so they can lead better lives.*

Our Scholastic Book Fair theme – **Book Fair Luau! It's a Reading Celebration!** – is part of an exciting reading event that brings to school a wonderful selection of fun, engaging, and affordable books kids want to read. Giving kids access to good books and the opportunity to choose their own books will motivate them to read more. And like most acquired skills, the more kids practice reading, the better they will read.

Reading is vital to every child's success, and raising kids as readers means getting involved while they're young. Now is the time. Since there will never be a substitute for a parent's direct involvement in his/her child's education, please make plans to visit our Book Fair. Hope to see you there!
